

BELIEF SYSTEMS CHECK

Challenge Your Assumptions

CHOICE

Keep obeying old stories and old limits, or put one belief on trial and prove a stronger one.

REFINE

R REVEAL THE BELIEF

Write the exact sentence your mind repeats.

Avoid vague words. Name the belief plainly.

E EXAMINE THE SOURCE

Trace where this belief first felt true.

Person, event, failure, family pattern, or season.

F FIND COUNTEREVIDENCE

List facts that prove the old belief is not final.

Small proof still counts.

2.

3.

4.

I INSTALL A BETTER BELIEF

Write a stronger belief you can act on.

No fake hype. Make it believable and useful.

N NAVIGATE ONE REAL TEST

Choose one action this week to prove it.

Include what, when, and proof of completion.

What:

When:

Proof:

E EVALUATE THE PROOF

Record what happened after you acted.

Turn the result into evidence.

FINAL COMMAND

The old belief was not the full truth. The new belief I will keep practicing is:

1 NAME IT

Write the limiting belief in one clear sentence.

Stop fighting a shadow.

2 TEST IT

Gather facts against the belief.

Expose where it has exaggerated reality.

3 PROVE IT

Take one action that supports the new belief.

Turn thought into identity.
