

SB14 | LEARN FROM THE MASTERS

MENTORSHIP & KNOWLEDGE WORKSHEET

MODEL Framework

Keep guessing alone and repeat mistakes the hard way, or step under a stronger standard and speed up your growth.
Use this page to choose one source of mastery, extract one lesson, and apply it this week.

M | MAP THE DOMAIN

Choose one area where growth matters right now.

Area I want to improve:

.....

Why this matters now:

.....

What result would prove progress by next week?

.....

O | OBSERVE A MASTER

Identify one person whose results you respect.

Name of mentor / author / expert:

.....

Field of mastery:

.....

What makes this person credible?

.....

D | DIRECT CONTACT OR STUDY

Mark a path, contact or study, then commit with specifics.

☐ Contact: What will I send or ask?

.....

.....

☐ Study: What resource and when will I start?

.....

.....

E | EXTRACT THE PRINCIPLE

Pull one useful lesson from the source.

Key lesson or principle:

.....

.....

What blind spot does this expose in me?

.....

.....

L | LIVE THE LESSON

Turn what you learned into one visible action this week.

One action I will take immediately:

.....

When will I do it?

.....

Follow-up or accountability check:

.....

How will I know I followed through?

.....

.....
