

SB28 | Values Alignment Check

ALIGN

Are You Living Your Principles?

CHOICE

Keep claiming values while your habits tell a different story, or choose one value, find one gap, and take one visible action this week that proves your principles are real.

A ADMIT THE VALUE

Name one value that needs proof.

Value:

Why it matters:

L LIST THE EVIDENCE

Separate proof from drift.

Actions that support this value:

Actions that weaken this value:

I IDENTIFY THE GAP

Name where words and actions split.

I say I value:

But my behavior shows:

Pick one gap you can act on this week.

G GIVE IT ONE RULE

Turn the value into a measurable rule.

My rule this week:

How I will measure it:

N NAIL IT THIS WEEK

Schedule the first action. Do not leave the value floating. Put it on the calendar and create proof.

FIRST ACTION

What will you do first?

TIME AND PLACE

When and where will it happen?

PROOF TO RECORD

What will show that you lived it?

WEEK END CHECK

What changed when you acted in alignment?

What resistance showed up?

1 NAME THE STANDARD
Pick one value that needs inspection.

2 EXPOSE THE DRIFT
Compare what supports and weakens it.

3 PROVE THE PRINCIPLE
Follow one rule that makes the value visible.
