

# YOUR ORIGIN STORY

TRACE the events, lessons, patterns, and beliefs that forged who you are.

**CHOICE**

Keep living from an old script you never studied, or name the past clearly and choose what gets carried forward.

## TRACE

**T TRACK**  
the chapters

List key life stages and major moments.  
Childhood, teen years, early adult life,  
and recent years.

What works: "Moved at 12."  
Avoid: "Stuff happened."

**R REMEMBER**  
the lessons

Write what each event taught you.  
Focus on beliefs, not feelings.

What works: "People leave."  
Avoid: "I felt bad."

**A ANALYZE**  
the effects

Connect then to now.  
Name habits, reactions, and choices.

What works: "I avoid asking."  
Avoid: "It does not matter."

**C CLARIFY**  
the pattern

Find the belief that repeats.  
Name the script behind the choices.

What works: "Handle it alone."  
Avoid: "Life is hard."

**E EDIT**  
the ending

Choose one belief to replace.  
Write the new rule clearly.

Old belief:

Cost:

New belief:

What works: "I can ask for help."  
Avoid: "Be better."

**ACTION STEPS SUMMARY**

1

**MAP IT**

List the chapters and events that shaped you.

2

**FIND IT**

Connect events to beliefs, habits, and reactions.

3

**REWRITE IT**

Choose one old belief to replace with a better rule.

**REFLECTION:**What belief from your past still affects you, and will you keep it or change it?
